

**UK Patent** (12) **GB** (19) **2 366 618** (11) **B** (13)

**(46) Date of publication:** 26.06.2002

**(54) Title of the invention:** Reduction of low frequency vibrational noise in towed arrays

**(51) Int Cl<sup>7</sup>:** G01S 3/801
